

PLEASE leave the wisconsin No Call List as it is! Before the list was established our household was constantly bombarded with telemarketing calls. We do not pay for Caller ID and I don't feel I should have to pay extra to my phone company in order to avoid these irritating phone calls. It is an invasion of my home life. If I make a decision to change bank, or phone company, I am making an informed decision and I don't need an 18 month reminder from my previous choice to try to make me switch. Please do NOT change this!
